## Recycle with ANCOR

Ink Jet Cartridges

Cell Phones

Laptops

PDAs

## Raise funds for your agency, too! And, provide a FREE recycling service to your community!

### How to get started:

1. BCS Recycling Specialists send your agency a collection box (10-inch cube) with your agency logo and "Proud Member of ANCOR" printed on the box.
2. Place the boxes around your community (large and small businesses, healthcare providers and high traffic spots like banks, coffee shops, retail stores, etc.)
3. Tell everyone you know to recycle their inkjet cartridges, PDAs and cell phones in the box.

### Everyone can drop off and recycle!

- Used Inkjet Cartridges—all cartridges will be recycled, but BCS only pays for HP, Lexmark, and Dell.
- Cell Phones with or without the battery
- PDAs
- Laptops—do not use the boxes. Instead, call 888.656.4104 or e-mail [ANCOR@scrapdr.com](mailto:ANCOR@scrapdr.com) for a pre-paid label.

### When the box is full:

1. When the box is full, simply pullout the bottom flap and seal it so the pre-paid FedEx Ground label is showing.

2. Fill out the attached sticker for more boxes to be sent.
3. Call FedEx Ground (800) Go FEDEX for a pick up.

When BCS Recycling Specialists receive a full collection box, the contents are evaluated. A check is sent to your agency for 75% of the total value and a new collection box is sent to your host location. The ANCOR Foundation will receive 25% of the total value and a report on member agency activity. All items are recycled and nothing goes to the landfill!

**Note:** Value per item is \$10 per laptop; \$2.50 per inkjet (HP, Lexmark, and Dell); \$2.50 per cell phone and PDA.
