

Capitol Hill Visit Feedback Form

You have two goals when you visit with Representatives, Senators, or their staff: (1) to *educate* them about a particular issue and (2) to gather *intelligence* as to Congressional thinking on an issue. Feedback from your Congressional Hill visits is an important part of ANCOR's grassroots efforts. The more information you provide to ANCOR, the more effective our advocacy.

Please return your completed forms to ANCOR staff at the Washington Court Hotel. Or, if pressed for time, fax your form to ANCOR Government Relations Staff Mary Pauline Jones at 703.535.7860.
