¹ Percent Change was not calculated if the expenditures in a previous year were a negative number.

² ACRG = Annual Compound Rate of Growth since FY2000 or the waiver's first year, whichever is earlier. ACRG was not calculated for waivers with no FY 2005 expenditures.

³ The CMS 64 data in 2003 - 2004 for Arkansas' waivers for children were incorrect. CMS 372 data for 2003 indicates \$95,561 for Waiver 0364 and \$57,302 for Waiver 0365.

⁴ The CMS 64 data in 2000 - 2001 for California's waiver for older people (number 0141) and for a waiver for people with physical disabilities (0164, replaced by 0348) were incorrect. CMS 372 reports indicate the following expenditures:

Waiver 0141 -- 2000: \$28,574,637; 2001: \$32,926,378

Waiver 0164 -- 2000: \$2,714,638; 2001: no report. Waiver expired in 2000.

Waiver 0348 -- 2001: \$5,044,494 (first report for this waiver)

⁵ Reported FY 2005 expenditures for California's waiver number 0336 will likely increase. Reported FY2000 through FY2004 spending increased \$200 - \$500 million after data were first released because the state submitted prior period adjustments.

⁶ The CMS 64 data do not accurately reflect these waivers' expenditures during FY2005. States sent the following data to indicate expenditures. Sources are the CMS 372 report for the waiver year ending in 2005 unless otherwise noted:

Colorado -- Waiver 0211: 2004 expenditures, \$487,570. 2005 expenditures, \$446,505

Florida -- Waiver 0315: \$128,882,782.

Ohio -- Waiver 0383: 2004 expenditures, \$42,436,941. 2005 expenditures, \$49,799,669

Oregon -- Waiver 40194: \$232,456

Texas -- Waiver 0373: \$1,623,874

⁷ Connecticut did not report waiver-specific expenditures for one quarter in FY 2002.

⁸ These waivers served people in FY2005, but the CMS 64 reports indicated no expenditures. States sent the following data to indicate expenditures. Sources are the CMS 372 report for the waiver year ending in 2005 unless otherwise noted:

Connecticut -- Waiver 0426-IP: no report available

Florida -- Waiver 0294: \$5,578,360; Waiver 0406: \$452,280. No reports available for Waivers 0392 and 0418.

Maryland -- Waiver 40118 (2004): \$1,945,310

Montana -- Waiver 0371: \$1,637,905

New York -- Waiver 0269: \$76,654,494; Waiver 0296 (state data): \$16,956,000 Waiver 40163: \$1,010,738

North Carolina -- Waiver 0412-IP: \$172,274. No reports available for waivers 0423 and 0429.

Rhode Island -- Waiver 0379: \$928,290

Texas -- Waiver 0325: \$51,562,058; Waiver 0374: \$1,831,476

Wisconsin -- Waiver 0367 (state data for FFY 2004): \$87,730,796. Waiver 0368 (state data for FFY 2004): \$38,177,566

⁹ Waivers in Florida, Illinois, Massachusetts, and Pennsylvania serve people age 60 and older.

¹⁰ Florida's Adult Day Health waiver, Waiver 0406, has a minimum age of 75.

¹¹ Expenditures for most Illinois waivers decreased in 2003 because the state was unable to pay some claims. Expenditures rose sharply in 2004 when the state paid these claims. The waivers' CMS 372 reports reflect trends for particular waivers:

Waiver 0142 -- 2003: \$153,660,509; 2004: \$173,080,308

Waiver 0143 -- 2003: \$96,770,915; 2004: \$100,513,370

Waiver 0202 -- 2003: \$14,702,412; 2004: \$16,751,335

Waiver 0278 -- 2003: \$2,232,081; 2004: \$2,218,031

Waiver 0329 -- 2003: \$15,884,602; 2004: \$24,672,499

Waiver 0350 -- 2003: \$297,559,723; 2004: \$324,893,063

¹² Maryland did not report HCBS waiver expenditures for one quarter in FY 2005. The following expenditure totals are for state fiscal year 2004-05:

Waiver 0023 -- \$405,734,030

Waiver 0265 -- \$59,473,907

TABLE 2

July 6, 2006

MEDICAID HCBS WAIVER EXPENDITURES BY STATE

STATE	WAIVER NUMBER	TARGET POPULATION	FY 2000 EXPENDITURES	FY 2001 EXPENDITURES	PERCENT CHANGE 00-01 ¹	FY 2002 EXPENDITURES	PERCENT CHANGE 01-02 ¹	FY 2003 EXPENDITURES	PERCENT CHANGE 02-03 ¹	FY 2004 EXPENDITURES	PERCENT CHANGE 03-04 ¹	FY 2005 EXPENDITURES	PERCENT CHANGE 04-05 ¹	ACRG ²
	Waiver 0339 --		\$15,500,000											
	Waiver 0353 --		\$13,106,783											
	Waiver 40198 --		\$1,012,675											

¹³ Michigan reported waiver-specific expenditures for only two quarters in FY 2001. Data for Michigan's waiver 0233 were not available for most quarters until the 2nd quarter of FY 2002.

¹⁴ Mississippi did not report waiver-specific expenditures for most of FY2004 and for all of FY2005.

¹⁵ New Jersey split waiver number 0285 into two waivers -- an in-home services waiver and a residential services waiver. The CMS 64 reports show combined expenditures for both waivers.

¹⁶ Wyoming did not report waiver-specific expenditures for FY2001, except for one adjustment submitted in a later year.
