ROBERT P. CASEY, JR.
PENNSYLVANIA

April 13, 2018

Dear Friends,

I would like to extend my sincere gratitude to the members of the ANCOR community. Throughout the past year, you have been critical partners in the effort to protect Medicaid and the services that make it possible for people with developmental and intellectual disabilities to live and thrive in their own homes and to be engaged members in their communities.

Medicaid is the core of home and community based services. Without a strong and well-funded Medicaid program, hundreds of thousands of people with disabilities would not be able to have the choice of living where they wish. Moreover, the service and support infrastructure that you provide also would not exist.

I greatly appreciate your efforts to protect Medicaid and its sister support programs. You recognize that in partnership with other sectors of the disability community, we can stand strong and serve those who depend upon your extensive network.

As a network, you continue to innovate and identify new ways to support people with disabilities. I wish you a fruitful and productive conference as you gather in New Orleans to motivate and inspire one another.

Please accept my personal best wishes and gratitude for all the work you have done and all that you continue to do.

Sincerely,

Robert P. Casey, Jr.
