

Selected by ANCOR: A Better Kind of Local PharmacySM

As ANCOR's preferred pharmacy partner, Guardian has a long history providing exceptional pharmacy service and support. Your local pharmacy team is fully invested in getting to know the unique needs of the individuals you serve.

THE GUARDIAN DIFFERENCE

Smart Packaging

Our smart packaging organizes medications down to the hour to ensure proper dosages and easy distribution.

Local Touch

All dispensing, billing and customer service is local with experts available to resolve any issues.

Insurance Optimizer

We work with individual's physicians and prescription plan to guarantee all medications are covered or an alternative is provided.

Enhanced Safety

Each individual's drug regimen is regularly reviewed and screened for allergies, therapeutic duplication and dosage evaluation.

Medication Delivery

We make regularly scheduled deliveries, often daily, right to you.

Emergency Evacuation Plans

We work with your staff to develop a plan that preserves medication access for individuals during an emergency evacuation.

eMAR Integration

We interface with your eMAR system to ensure medications and dosages are correct.

"We are pleased to add Guardian Pharmacy Services to our outstanding group of partners...With their long history and specialized work with providers and people with disabilities, Guardian Pharmacy Services has what it takes to meet the specific needs of our field at affordable prices."
