## IMPORTANT INFORMATION

- ANCOR is a nonprofit 501(C)(6) trade association. Dues, contributions and other assessments paid to this association are not deductible as charitable contributions for federal income tax purposes. However, payments of membership dues are deductible for most members of a trade association under Section 1662 of the Internal Revenue Code as an ordinary and necessary business expense.

- ANCOR estimates that up to eight percent (8%) of 2022 dues will be designated for “lobbying” activities. Under federal legislation, businesses may not take tax deductions for business expenses that pertain to lobbying. Therefore, for 2022, 92 percent (92%) of the above payment may qualify for tax deduction as a business expense. Please consult with your tax advisor.
- ANCOR uses email as the principal means of communicating with members, to inform you of our activities and important legislative and regulatory happenings, to share opportunities for professional and organizational development, and to give you updates on a variety of subjects across the spectrum of our members’ interests. By providing any email associated with your organization, you hereby consent for the organization to receive any email communications sent by or on behalf of American Network of Community Options and Resources (ANCOR), the ANCOR Foundation, Inc., or the ANCOR Services Corporation.
