

## OUR MISSION

Advance the ability of our members to support people with I/DD to fully participate in their communities

### OUR STRATEGIC PILLARS

(the strategies that advance our mission)

Influence responsible federal public policy to protect and promote quality services.

Obtain resources to attract, expand and retain a quality workforce.

Be an indispensable resource to equip providers & partners to understand & respond to opportunities, emerging practices & trends.

Shape the future of service delivery models and measures to ensure sustainable services.

### OUR FOUNDATIONAL ELEMENTS (the “keys” to our strategies)

- Expand public profile and influence
- Increase geographic and service model diversity of membership
- Increase and enhance member engagement
- Partner strategically
- Ensure inclusion, diversity, equity and access are embedded into ANCOR’s culture

### OUR FOUNDATIONAL RESOURCES (the “cement” that holds our foundational elements together)

- Invest in and maintain appropriate technology infrastructure and systems
- Maintain fiscal best practices for a strong financial foundation and strategic growth
