# Conference Add-Ons

If you've already registered for ANCOR Connect and wish to add a pre-conference session to your registration at a later date, it's simple!
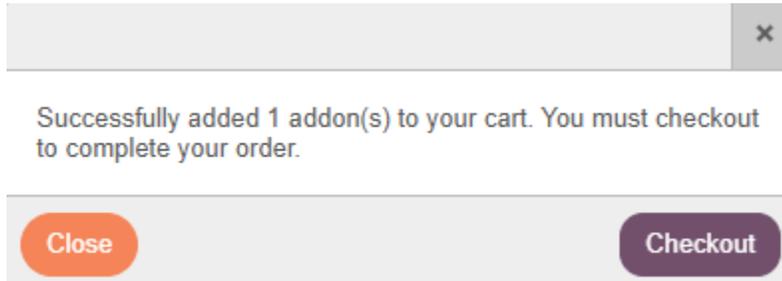

1) Log back into the registration platform using your regular ANCOR login credentials

2) Expand the **Account** dropdown menu, and select **Order History**.

3) A page will display a history of every transaction you have made on our registration platform since we began using it in 2023. Find the most recent conference, and select **Manage Add-ons**.

4) A window will open, and you will have the opportunity to select any pre-conference sessions that are still available. Select the one(s) you'd like to attend, then click Save to proceed.

5) Click Checkout to complete the transaction, then follow prompts to pay. If you have a promo code for the pre-conference session, you may apply it on the Payment page.

6) If you need assistance, contact conferences@ancor.org and we will get back to you within 2 business days.
