

SPONSOR & EXHIBITOR PROSPECTUS

ANCOR CONNECT '26
APRIL 21-23 | BOSTON, MA

WELCOME! FROM ANCOR CEO BARBARA MERRILL

2

Greetings! It is my honor to invite you to sponsor or exhibit at ANCOR Connect '26, taking place in the heart of Boston's Seaport District on April 21-23, 2026.

ANCOR Connect has always been a great opportunity for the ANCOR community to gather. But with the significant growth we've seen in the past few years, we've cemented this event's status as one of the can't-miss events of the year.

Our theme this year is *Navigating the Now*, which invites us to take a clear-eyed look at the realities we're facing today and respond with creativity, courage and connection. As we imagine the community disability services system of the future, we need big ideas, practical solutions and—perhaps most importantly—the audacity to believe that we can be the ones to build it.

That's where you come in. This year, we anticipate bringing together 1,500 disability services professionals to what has become a hub for learning, networking and community-building. But we simply cannot do it without the generous support of sponsors and exhibitors like you. Supporting ANCOR Connect '26 is an ideal opportunity for your brand if you seek to:

- **Amplify your visibility.** Numerous brand placement opportunities are available to showcase the products and services providers need the most.
- **Deepen existing relationships and cultivate new ones.** We bring together professionals from a diverse array of roles, services, geographies and perspectives so that you don't just meet lots of people—you meet the right people.
- **Highlight your thought leadership.** By being with us, you'll engage in countless conversations that meaningfully advance the future of I/DD services.

We appreciate you taking the time to explore the opportunities outlined in this Prospectus. I think you'll find that you love all that we have in store for 2026.

With gratitude,

Barbara Merrill
Chief Executive Officer
